Itinerary

Day 1 - Tokyo, Japan

Fri 16 Mar 2029 | Embarkation 12:00 AM - 1:30 PM | Departure 4:30 PM

Tokyo's rhythm is one of striking contrasts - centuries-old shrines and neon-lit streets, serene gardens and buzzing crossings. Senso-ji Temple welcomes visitors to the historic heart of Asakusa, while Meiji Shrine lies quietly in a forested sanctuary between fashionable Harajuku and Omotesando. Shibuya Crossing pulses with energy, Akihabara glows with pop culture, and food lovers delight in Tsukiji's vibrant market. From the towering Skytree to Ueno Park's spring cherry blossoms, Tokyo captures timeless tradition wrapped in modern wonder.

Day 2 - Nagoya, Japan

Sat 17 Mar 2029 | 8:00 AM - 6:00 PM

Nagoya tells a story of power and tradition shaped by centuries of influence. Nagoya Castle, crowned with golden shachihoko, recalls a feudal past of elegance and strength, while the sacred Atsuta Shrine safeguards one of Japan's imperial treasures. Nearby, the lively Osu district combines vintage shops, temples, and street food, where miso katsu and hitsumabushi tempt every palate. Blending spiritual reverence with everyday vibrancy, Nagoya offers both cultural depth and energetic urban life.

Day 3 - At Sea

Sun 18 Mar 2029

At Sea

Day 4 - Kagoshima, Japan

Mon 19 Mar 2029 |9:00 AM - 6:00 PM

Kagoshima stirs beneath the smoking presence of Sakurajima volcano, a dramatic backdrop to serene bays and elegant gardens. At Sengan-en, once home to the Shimadzu clan, landscaped beauty frames unforgettable views. Just beyond, Ibusuki Onsen offers unique sand baths for deep relaxation. Blending volcanic power, historic estates and natural wonder, Kagoshima delivers drama and tranquillity in equal measure.

Day 5 - Nagasaki, Japan

Tue 20 Mar 2029 | 8:00 AM - 7:00 PM

Nagasaki'ss story is one of resilience, openness and beauty. Peace Park and the Atomic Bomb Museum stand as solemn reminders of 1945, while Gunkanjima'ss abandoned island structures recall industrial might. Yet life blooms anew, with sweeping harbour views from Mount Inasa and lively international influences in its streets and cuisine. Nagasaki is history, reflection and renewal intertwined.

Day 6 - Busan, Republic of Korea

Wed 21 Mar 2029 | 8:00 AM - 7:00 PM

Busan fuses culture, nature and modern energy along South Korea's southern coast. The cliffside Haedong Yonggungsa Temple offers serene ocean views, while Gamcheon Culture Village, with its brightly painted houses and murals, inspires endless exploration. Nearby, Gyeongju's ancient temples and tombs reveal the "museum without walls." Whether sipping tea in a quiet temple or wandering bustling markets, Busan invites you to experience Korea's warmth and vibrant coastal spirit in every season.

Day 7 - Shimonoseki, Japan

Thu 22 Mar 2029 | 9:00 AM - 7:00 PM

Shimonoseki sits where seas converge and cultures meet. Karato Market brims with ocean delicacies, including the famed fugu prepared with masterful skill. Motonosumi Inari Shrine's crimson torii gates cascade toward the sea, while nearby Rurikōji Temple's five-storied pagoda stands as a national treasure. Beyond, Akiyoshidō Cave beckons with dramatic underground chambers. Shimonoseki is coastal energy paired with spiritual calm.

Day 8 - Hiroshima, Japan

Fri 23 Mar 2029 | 9:00 AM - 6:00 PM

Hiroshima tells a story of tragedy transformed into hope. At Peace Memorial Park and Museum, haunting memorials honour the past while inspiring peace for the future. A short ferry ride leads to Miyajima Island, where the vermilion torii of Itsukushima Shrine appears to float upon the tide, framed by mountain and sea. Back in the city, Hiroshima Castle recalls samurai heritage, while resilient trees and riverside paths whisper of renewal.

Day 9 - At Sea

Sat 24 Mar 2029

At Sea

Day 10 - Yokohama, Japan

Sun 25 Mar 2029 | Arrival 7:30 AM | Disembarkation 8:45 - 10:00 AM

Fronting the waters of Tokyo Bay, Yokohama pairs modern skyline views with a legacy as Japan's primary 19th-century trade portal. Soaring glass skyscrapers and vibrant bayfront promenades lend a high-energy pulse to the futuristic Minato Mirai waterfront district. Tucked along the southern hills, the peaceful pathways of Sankeien Garden reveal authentic Edo-period tea houses and historic wooden shrines relocated from Kyoto and Shirakawa-go. Rapid transit links spanning the bay offer effortless, scenic day trips straight into the lively heart of metropolitan Tokyo.
