📍 DAY DENMARK

## 1 Jubilant Copenhagen

Port: Copenhagen

Arrival Method: DOCK

Departure: 20:00

Rejoice in one of the happiest and most vibrant capital cities in the world. Relax like a local alongside joyful Danes and varied culture; the Gefion Fountain, the Little Mermaid statue, Old Citadel, the Amalien Palace with four Rococo buildings, medieval history, charming fishing villages, leading examples of sustainable living and - of course - flaky Danish pastries. Cycling is the preferred way to shuttle across town and it's well worth the pedal to enjoy the trendy, cosy neighbourhood of Norrebro, Christiansborg Palace and the waterfront home of Christian Andersen. Genuine, vibrant and welcoming... rather like the smiles of those that live here.

## 2 Choose Aarhus – 'Or-hoose'

Port: Aarhus

Arrival Method: DOCK

Arrival: 08:00

Departure: 18:00

A historic Nordic hub that lives like a quaint neighbourhood, Aarhus is Denmark's second-largest city where old-world charms mingle with vibrant modern marvels. See where art and engineering intersect at ARoS Art Museum, a free space for unequalled creativity that goes beyond traditional thinking. Travel into the past in Den Gamle By (The Old Town) which recreates Denmark's long history or head to the architecturally dramatic Moesgaard Museum with a mummified bog body man and Iron Age artifacts. Hop a bike and pedal to picture-perfect places including cobbled Møllestien Street, The Dome Skyspace, or cosy Latin Quarter for cool Scan designs. Cap off the day with a stroll up high-street Strøget for rooftop cocktails at fashionable Salling.

 DAY SWEDEN

## 3 Leeward Haven of Lysekil

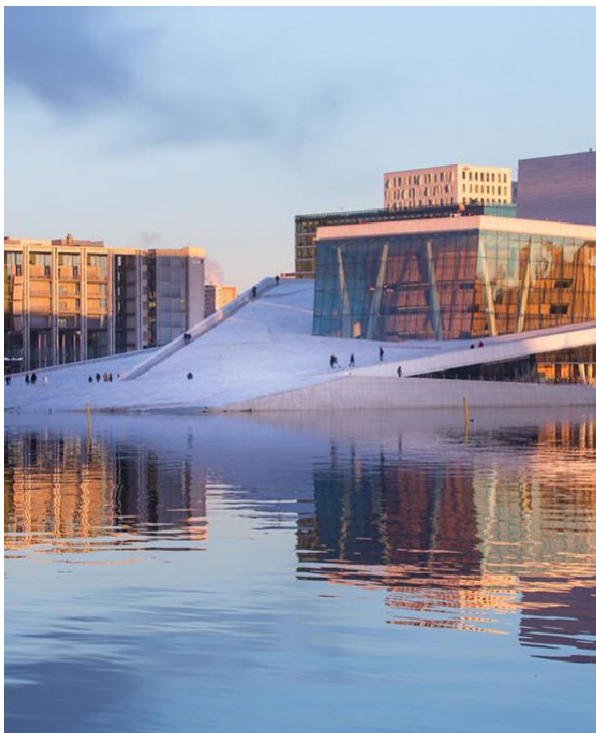

Port: Lysekil(Gotaland)

Arrival Method: DOCK

Arrival: 08:00

Departure: 20:00

Once a quasi-pirate lair, quaint Lysekil awaits nestled amongst a leeward network of inlets and fjords on Sweden's wild western shore. Today, this fanciful fishing village begets a civilised sanctuary of sustainable culinary, wellness, and natural riches to explore. Set off on an oyster safari, wend through an organic vineyard, take a traditional "fika" break of coffee, tea and biscuits. Plunge into cold waters of Gullmaren then warm up in wood-fired sauna or climb red bohús granite formations at Stångehuvund Nature Reserve. Touch starfish and urchins at Havets Huts Saltwater Aquarium or stroll through its tunnel that teases with views of sharks and octopuses. Find peace beneath the rose window of the hand-honed granite Church or imagine yourself as a well-heeled Swedish socialite frequenting the burnt-orange Curman Villas.

 DAY NORWAY

## 4 Green Oslo

Port: Oslo

Arrival Method: DOCK

Arrival: 08:00

Departure: 23:55

Not many cities are greener – in habitat or sustainability - than Oslo. With over half Norway's capital city being covered by forests and parks, it's only natural that the fjord creeps into the city centre. Nature aside, there's so much more to explore: music, museums, opera, the Vigeland Sculpture Park and one of the world's most beautiful libraries. Learn about the works of Edvard Munch and the importance of climate change or attend a private aquavit tasting and the Royal Palace. Embark on an aquatic safari, boat jaunt or bike tour. Then consider concluding your day with a classic finish – plunge fjord deep in for some stimulating cold-water therapy. They say these organic city waters are as clean as they are unique.
