**Sat, Oct 10: Southampton (for London), England****Depart 4:00 PM**

The south of England boasts a dramatic coastline that encloses some of the most beautiful countryside in Britain. The landscape of hills and heaths, downs and forests, valleys and dales, is without rival. Southampton serves as your gateway to the countryside - and to a wide variety of historic sites, national landmarks and charming. And of course, London is a two-hour drive by modern highway.

The United Kingdom's premier passenger ship port, Southampton was home for many years to the great transatlantic liners of yesteryear.

**Sun, Oct 11: At Sea****Mon, Oct 12: At Sea****Tue, Oct 13: Trondheim, Norway****Arrive 12:00 PM | Depart 8:00 PM**

Trondheim is the third largest - and second oldest - city in Norway. The town was originally called Kaupangen upon its founding in 997 A.D. by Viking king Olav Tryggvason. The city commands the trade routes linking Southern Norway with the fjord lands to the north. Trondheim quickly became a major commercial and cultural center - the city served as Norway's royal capital.

Trondheim's old city features broad avenues and attractive 17th-century wood buildings - a legacy of the rebuilding that followed a disastrous fire that leveled the city in 1681.

**Wed, Oct 14: At Sea****Thu, Oct 15: Tromsø, Norway****Arrive 9:00 AM | Depart 6:00 PM**

Lying north of the Arctic Circle, Tromsø has been a departure point for Arctic explorers and hunters since the 18th century. Today, this town of some 50,000 individuals is home to the northernmost university in the world, which gives Tromsø a lively cultural and street scene, highlighted by the annual Midnight Sun Marathon.

**Fri, Oct 16: Alta, Norway**

**Arrive 7:00 AM**

Alta is known as the "City of the Northern Lights" and people from around the world come here to watch the spectacular phenomenon known as the Aurora Borealis. In 1899, the world's first Northern Lights observatory was built on Halddetoppen just outside of Alta. But Finnmark's largest city has more to offer than bright dancing lights. Alta's the gateway to unspoiled beauties such as the Finnmarksvidda plateau and the Sautso, often called Northern Europe's Grand Canyon. From the UNESCO-protected rock carvings at the Alta Museum to the fascinating Sami culture, Alta is a tantalizing treasure just waiting to be discovered.

**Sat, Oct 17: Alta, Norway**

**Depart 11:00 PM**

**Sun, Oct 18: At Sea**

**Mon, Oct 19: At Sea**

**Tue, Oct 20: Molde, Norway**

**Arrive 8:00 AM | Depart 6:00 PM**

Molde is located north of Bergen with white clapboard houses sitting alongside a sparkling fjord. On a clear day, more than 200 peaks are visible from this part of the Romsdal Peninsula.

The Varden Viewpoint is the best place to take in the breathtaking panorama. Even when the weather is less cooperative, there is plenty to do, with cozy cafés, boutiques selling woolen sweaters and the Romsdal Museum, an open-air folk museum where you can literally stroll through the region's history and traditional homes.

Molde is also one end of one of Norway's most beautiful coastal drives, the Atlantic Ocean Road which crosses spectacular bridges and a number of islands. Around every bend, there are magnificent views of mountain peaks, the Atlantic and the fjords that notch Norway's coast.

During the summer months, Molde lives up to its nickname-the City of Roses-with flowers blooming everywhere, from the roof of the town hall and the university grounds to the picket fences around houses.

**Wed, Oct 21: Ålesund, Norway**

**Arrive 8:00 AM | Depart 5:00 PM**

The island of Giske is the reputed birthplace of the great Viking Rollo, who laid siege to Paris and founded the Duchy of Normandy. William the Conqueror was his grandson.

In 1904, a massive fire destroyed 800 buildings in this fishing port. Germany's Kaiser Wilhelm II responded with immediate aid, and Ålesund was reborn. Not surprisingly, the town was rebuilt in the then-popular Art Nouveau style known as Jugendstil. The result is one of the prettiest ports in Norway. Buildings with elegant turrets and spires can be seen lining the streets of the city center. Today, the city is one of Norway's most important fishing harbors and the world's largest supplier of stockfish (Klippfisk) - dried cod. Ålesund's major attractions are the surrounding fjords and the stunning Sunnmøre Alps.
