**Day 1: Tokyo (Yokohama), Japan****Depart 3:00 PM**

Yokohama and Edo began life as sleepy fishing villages. That changed in the early 17th century after Tokugawa Ieyasu became Shogun. Edo became the center of political power in Japan, a position the city retained even after the restoration of Imperial rule in 1868.

Contemporary Tokyo may be the most astonishing city on earth. It's a paradoxical mix of ancient tradition and postmodern culture. The Ginza - an international shopping mecca - stands near the serene grounds of the Imperial Palace, and the hyper-speed of 21st century consumerism is mysteriously reconciled with the elegance and serenity of traditional culture. Tokyo provides the traveler with a dizzying experience.

With the Meiji Restoration of 1868, Edo was renamed Tokyo, the "Eastern Capital," to distinguish it from the old imperial capital at Kyoto, the "Western Capital."

**Day 2: Kumano, Japan****Arrive 6:00 AM | Depart 10:00 PM**

(water shuttle required, wheelchair access limited)

**Day 3: Wakayama, Japan****Arrive 9:00 AM | Depart 6:00 PM**

The bustling port of Shimotsu is the gateway to Wakayama Prefecture and its capital city. With over 372 miles (600 km) of coastline, all of the delights of the sea are on offer, including snorkeling, swimming or scuba diving off one of its many white-sand beaches, marveling at the underwater world on display at the aquarium in the Museum of Natural History, and watching the intricate process of preparing a massive tuna in the Kuroshio Market. Known as 'Onsen Heaven', Wakayama is home to a variety of geothermal bathing experiences, a treasured Japanese tradition for centuries. Nearby are the hilltop Wakayama Castle, with park-like grounds, and the resort island of Wakayama Marina City. For those looking for a more active experience, there is everything from animal encounters at Adventure World to a walking tour along the sacred paths of the 1,200-year-old Koyasan monastery complex, a UNESCO World Heritage Site. When hunger strikes, try some Wakayama ramen made with a tasty soy sauce. And remember that the first matcha green tea ice cream was created in Wakayama City, so be sure to treat yourself.

**Day 4: Kochi, Japan****Arrive 7:00 AM | Depart 4:00 PM**

Kochi sits on the broad alluvial plain facing Urado Bay. This city in Shikoku takes its name from the great feudal castle that sits at its very heart. Completed in 1611, Kochi Castle was the seat of Yamauchi Kazutoyo, a noted warrior who supported Tokugawa Ieyasu in his successful quest to become Shogun. Tosa Province and Kochi Castle were Yamauchi's reward for faithful service. There is an historical irony here: 250 years later, a Kochi native son - a former low-ranked samurai and now ronin named Sakamoto Ryoma - played a pivotal role in bringing the Tokugawa Shogunate to an end and restoring the Emperor of Japan to political prominence. The prize once awarded for faithful service had become a hotbed of support for the Meiji Restoration.

Kochi is one of the wettest places in Japan - and a frequent target for cyclonic storms or typhoons. Southeast of the city, warm ocean currents washing against the Aki Mountains create a subtropical landscape of hibiscus, palm and ficus at Muroto-Anan Quasi-National Park.

**Day 5: At Sea****Day 6: Busan, South Korea****Arrive 7:00 AM | Depart 4:00 PM**

The second largest city in South Korea, Busan is your gateway to a fascinating land whose culture is a unique amalgam of old and new. Modern high-rise towers dwarf ancient Buddhist temples. The city's bustling business district offers a stark contrast to the serene grounds of Yongdusan Park. In short, Busan is a microcosm of South Korea, a nation whose startling economic success often obscures one of Asia's most sophisticated and venerable cultures.

Busan was the scene of bitter fighting during the Korean War. The United Nations Memorial Cemetery marks the final resting place for the troops from 16 nations who gave their lives during the conflict.

### **Day 7: Nagasaki, Japan**

**Arrive 7:00 AM | Depart 4:00 PM**

For most travelers, Nagasaki is a symbol of the horror and the inhumanity of war. An estimated 75,000 people perished in 1945 when the city became the second target of a nuclear attack. Today, Nagasaki's Peace Park and Atomic Bomb Museum draw visitors from around the world.

But this beautiful city on Kyushu offers other sights. Often described as the San Francisco of Japan, the city occupies verdant hills surrounded by a deep-water bay. For three centuries, Nagasaki was Japan's sole window on the world. The city is also celebrated as the setting for Puccini's opera "Madame Butterfly."

### **Day 8: Nagasaki, Japan**

**Arrive 7:00 AM | Depart 4:00 PM**

From the 12th century to the Meiji Restoration of 1868, Kagoshima was the chief stronghold of the mighty Shimazu clan. The city lies at the top of the Satsuma Peninsula, a mountainous, geothermal wonderland of hot springs and geysers. The area is also rich in modern Japanese history: Saigo Takamori and the Satsuma samurai were leaders of the Meiji Restoration that toppled the shogun and restored the Emperor to power in 1868. In 1877, dissatisfied with the direction of the new government, Saigo led the Satsuma Rebellion, which ended in his death and the final defeat of the samurai.

The symbol of Kagoshima is Sakura Jima - the volcanic island that sits just offshore. The volcano has erupted over 30 times in recorded history.

### **Day 9: At Sea**

### **Day 10: Tokyo (Yokohama), Japan**

**Arrive 9:00 AM | Depart 5:00 PM**

A mesmerizing landscape, a revered cultural history, and Japan's most sacred volcano are just a few of the many delights beckoning you to come and explore this ancient city. While Shimizu may have the reputation as being bustling and modern, its cultural and spiritual side is on display in the form of ancient and enthralling shrines. Of course, it may be the sacred and snow-capped Mount Fuji that garners the most attention. Towering over the region at approximately 12,388 feet above sea level, the active volcano, designated a "place and source of artistic inspiration" by UNESCO is just one of the many unforgettable adventures Shimizu inspires.
