Day 1: Anchorage (Whittier), Alaska

Sat, May 22 | Depart 08:30 PM

Whittier, approximately 65 miles southeast of Anchorage, lies nestled at the base of the Chugach Mountains bordering Passage Canal. Established as a World War II port for cargo and troops of the Alaska Command, Whittier remained activated until 1960. Today, Whittier's economy and its 290 residents rely largely on the fishing industry, the port and, increasingly, on tourism. Once accessible only by boat or via a war-era railway tunnel, The Anton Anderson Memorial Tunnel was recently enhanced to accommodate highway traffic as well, making it the longest highway/rail tunnel in North America at 2.5 miles. Named for the poet John Greenleaf Whittier, the community is also the gateway to spectacular Prince William Sound, with its magnificent tidewater glaciers and abundant marine life. Whittier tours are available to passengers on back-to-back voyages who will stay onboard the ship and cruise back to Vancouver as well as guests ending their cruise in Whittier with an evening flight out of Anchorage on the day of disembarkation or an overnight in Anchorage after their cruise.
Whittier tours are only available to cruise tour guests who spend the first night of their package in Anchorage. Other cruise tour guests cannot take an excursion as they would miss the transfer their next destination.

Day 4: Icy Strait Point, Alaska

Tue, May 25 | Arrive 06:00 AM | Depart 07:00 PM

Nearby Alaska's largest Tlingit village exists a uniquely Alaskan place - Icy Strait Point. Hoonah, meaning "village by the cliff," is home to the Huna Tlingit who have occupied this area for thousands of years. Local legend tells how they were forced from their ancestral home in Glacier Bay by advancing glaciers, resulting in their relocation to and settlement of Hoonah. In 1912, the Hoonah Packing Co. built a large cannery one mile north of town. After only five years of operation, the cannery at Icy Strait Point turned out 152,505 cases of one-pound cans of salmon, the largest pack ever achieved in Alaska. Today, Hoonah is home to nearly 750 residents. Visitors will be intrigued by its rich Native heritage, opportunities to see wildlife and the vast wilderness that surrounds this unique village. Icy Strait's waters have yielded record-breaking halibut and salmon catches and provide summer-long access to all five species of salmon. Chichagof Island, on which Icy Strait Point is located, supports one of the largest concentrations of brown bears in the world and sightings are common.

Day 5: Juneau, Alaska

Wed, May 26 | Arrive 06:30 AM | Depart 04:15 PM

In 1880, it was slow going for Joe Juneau and Richard Harris as they searched for gold with the help of Native guides. After climbing mountains, forging streams and facing countless difficulties, they found nuggets "as large as beans." From their discovery came three of the largest gold mines in the world. By the end of World War II, more than $150 million in gold had been mined. Eventually the mines closed, but the town Joe Juneau founded became the capital of Alaska and the business of gold was replaced by the business of government. Some 30,000 people live in Juneau.

Its total area makes it one of the biggest towns, in size, in the world. Only Kiruna, Sweden, and Sitka, Alaska, exceed Juneau's 3,248 square miles. Today Juneau is famous not only for gold and government but also for its breathtakingly beautiful glaciers and stunning views of both water and mountains.

Day 6: Ketchikan, Alaska

Thu, May 27 | Arrive 10:00 AM | Depart 05:00 PM

Ketchikan is known as Alaska's "First City" because it's the first major community travelers come to as they journey north. Located on an island, Ketchikan began life as an Indian fishing camp. The name Ketchikan comes from a Tlingit phrase that means "eagle with spread-out wings," a reference to a waterfall near town. In the early 1900s, when gold was Alaska's claim to fame, fishing and timber industries were established in Ketchikan. The growth of these industries helped make this Inside Passage port Alaska's fourth-largest city. Visitors to Ketchikan will be intrigued by its rich Native heritage, which includes the world's oldest collection of totem poles at Totem Heritage Center. The Haida, Tlingit and Tsimshian are all a part of the city's colorful history. Ketchikan, with its abundance of salmon, is also a sportfishing paradise. Sightseers will be impressed with both the scenic town and its surroundings, especially Misty Fjords National Monument.

Day 8: Vancouver, Canada

Sat, May 29 | Arrive 07:30 AM

Vancouver is one of the world’s most stunning cities, where scenic beauty meets vibrant city life. Nestled between the mountains and the sea, this dynamic destination offers a unique blend of cultures, flavors, and experiences. From the historic charm of Gastown—with its cobblestone streets, heritage architecture, and cozy cafés—to the bustling waterfront of the Port of Vancouver, the city invites exploration at every turn. Named after British explorer Captain George Vancouver, who charted the region’s coastline in 1792, the city carries a legacy of discovery and connection. As Canada’s third-largest city, Vancouver boasts a rich cultural tapestry, including the second-largest Chinatown in North America, world-class parks, and a distinctly European feel. Whether you're strolling through Stanley Park, enjoying fresh seafood by the harbor, biking along the coastline, or exploring the city's diverse neighborhoods, this beautiful waterfront city delivers unforgettable moments for every traveler.
