Day 1 - Copenhagen, Denmark

Depart 4:00 PM

Copenhagen was founded during the 12th century. The city owes much of its charm to the buildings erected by Denmark's monarchs, and boasts a treasure trove of late-Renaissance and Rococo architecture. Copenhagen deserves its accolade as the Venice of the North. Founded on a series of islands and islets, the city today is laced with graceful canals and boasts some of the most delightful architecture in Northern Europe. See the fabled statue of Hans Christian Andersen's Little Mermaid, a symbol of the city. Stroll along the old harbor of Nyhavn, lined with cafés, restaurants and 500-year-old gabled houses. Browse the superb shops on the world-famous Stroget or view the Rococo palaces lining Amalienborg Square. Best of all, savor the taste of local delicacies while wandering the paths of Tivoli Gardens, one of Europe's most celebrated pleasure gardens.

Day 3 - Visby, Sweden

Arrive 7:00 AM | Depart 3:00 PM

Dramatic 13th-century city walls surround the former Viking settlement of Visby, Sweden. Recognized by UNESCO as the best-preserved medieval commercial center in Northern Europe, this quaint town of 20,000 residents, known as the "City of Roses and Ruins," is home to ancient forts, churches and winding streets lined with cafés and cozy cottages. The Gotlands Fornsal Museum explores 8,000 years of the region's rich cultural history, from the geological formation of Gotland through the Viking period to the modern age. A venture beyond the ancient walls takes you to the Hanseatic harbor of Almedalen, dotted by such historical sites as the Kruttornet (Powder Tower) and the Jungfrutornet (Maiden's Tower), or to scenic Dalmansporten, site of the 12th-century St. Mary Church, the only one of Visby's earliest churches to still be in use today. For those seeking the solace of the countryside, Gotland, Sweden's largest island, offers flowering meadows, pastoral views and the opportunity to experience the dairy products and sweet jams produced on local farms.

Day 4 - Stockholm, Sweden

Arrive 9:00 AM | Depart 5:00 PM

Often described as the "Capital of Scandinavia," Stockholm traces its origins back seven centuries, when it was founded on the island of Gamla Stan and became the capital of Sweden. Today, the city covers 14 separate islands connected by bays, channels and inlets. The skyline is a sea of copper roofs grown green with patina, towers, spires and graceful cupolas stand sentinel over the historic Old Town (Gamla Stan).

With its population of nearly a million people, Stockholm is one of the world's most beautiful, clean and orderly cities.With a history stretching over seven centuries, Stockholm is not just a beautiful city but also Sweden's center of art and culture.

Day 5 - Helsinki, Finland
Arrive 12:00 PM | Depart 10:00 PM

Perhaps their country's harsh climate encouraged the Finns' love and respect for design and the arts. Whatever the cause, there's no denying that Helsinki is one of the most vibrant and beautiful cities in Scandinavia. Hailed as the "Daughter of the Baltic," Finland's capital is a city of graceful neoclassical buildings, striking modern architecture and spacious boulevards dotted with squares and parks. In the past century, Finland has nurtured some of the major creative talents of Western culture, from the composer Sibelius to architects Eliel & Eero Saarinen and Alvar Aalto.The center of Finnish commerce and culture, Helsinki is home to some 616.000 people. Much of the city's neoclassical architecture dates from the period of Tsarist rule, which began in 1809 after political control of Finland passed from Sweden to Russia, Finland gained its independence in 1917.

Day 6 - Tallinn, Estonia
Arrive 7:00 AM | Depart 3:00 PM

Like Latvia and Lithuania, the Baltic republic of Estonia has survived a turbulent history. The small nation was conquered and ruled by the likes of Teutonic Knights, Polish princes and Russian Tsars. For 51 years, Estonia remained a pawn in the Soviet empire, until the burgeoning freedom movement led to independence for the Baltic Republics in 1991. Like its sister republics, Estonia maintained its ties to the Western tradition, retaining the Latin alphabet and Catholic and Protestant faiths. Once a member of the historic Hanseatic League, Tallinn is the political, commercial and cultural center of Estonia.

Day 7 - Riga, Latvia
Arrive 10:00 AM | Depart 6:00 PM

Capital of Latvia and the largest city of the Baltic Republics, Riga has long been a center of commerce and culture. Founded in the 13th century, the city rose to prominence as a member of the Hanseatic League, the great German-Baltic trading consortium that dominated Northern Europe during the Middle Ages. In the long struggle for Latvian independence, Riga has been ruled by Germans, Swedes and Russians. Today this "Little Paris of the Baltic" is a UNESCO World Heritage Site renowned for its architecture including one of the finest collections of Art Nouveau buildings in Northern Europe.The city's German heritage contributed to the city's rich architecture. Riga's Art Nouveau buildings are outstanding examples of the German style known as Jugendstil.

Day 8 - Klaipeda, Lithuania
Arrive 12:00 PM | Depart 8:00 PM

Formerly known as Memel, Klaipeda is a unique historic city - with its roots that go back to the days of German knights - and it's a gloriously royal city, too, as Klaipeda was once the capital of Prussian Kingdom. Today Klaipeda is a modern city, known for its creative, innovative design and architecture and, even more for its friendly and welcome people. Being the third largest town in Lithuania, this relatively small town is well known for its grand annual events including

the Jazz festival and Sea festival. The cultural scene offers everything from the internationally-known music concerts to sizzling jazz clubs, bars and countless museums and galleries.

Day 9 - Gdansk (Gdynia), Poland

Arrive 7:00 AM | Depart 5:00 PM

Gdynia is your gateway port to Poland's fabled city of Gdansk. The city is over a millennium old - the first mention of Gdansk in history occurs in the year 997 A.D. A member of the Hanseatic League, Gdansk was the richest port on the Baltic and a cultural center that drew artists and intellectuals from across Europe. That heritage was imperiled, however, on September 1, 1939, when a German warship opened fire on a garrison north of the city, heralding World War II. By the war's end, Gdansk was in ruins and proud Poland lay in the grip of Russian occupation. The city proved indomitable as residents set about rebuilding the old city. In 1980, the spirit of Gdansk's people proved even stronger than the iron grip of communism: a food riot led to the birth of Solidarity, the trade-labor movement that played a pivotal role in bringing down the Iron Curtain.Gdansk is one of the amber centers of the world.
This petrified tree resin has been revered for both jewelry and as a source of folk remedies for centuries. Gdansk's Old Town is a superb place to browse for amber jewelry and goods.

Oslo, Norway
Arrive 11:00 AM | Depart 9:00 PM

Forest-clad slopes plummet to an island-studded fjord. Welcome to Oslo, Scandinavia's oldest capital city. The commercial center of Norway, Oslo has been a major trading port for over a millennium. Its harbor is crowded with shipping that ranges from cruise ships to workaday shrimp boats. Though a relatively modest city in size - some 550,000 Norwegians call it home - Oslo is one of the largest capital cities in the world in terms of area. The hills and lakes of its outlying countryside are a paradise for lovers of winter sports. And the city itself boasts a sophisticated, yet cozy charm, with a blend of 19th- and 20th-century buildings, many decorated with woodcarvings and bright frescoes, and wide avenues dotted with public squares and parks.Oslo is the least populous capital in Scandinavia. The city offers excellent theater, great cafés and quality shopping.

Day 12 - Skagen, Denmark

Arrive 8:00 AM | Depart 4:00 PM

On Denmark's northern tip, where the Baltic meets the North Sea, lies Skagen (pronounced "Skain"). Skagen is a fishing town with a maritime history that reaches back to the early Middle Ages. Boasting white-sand beaches, crystal-clear waters and stunning natural landscapes, the area has lured artists since the mid-19th century, drawn to the radiant light's interplay on the rugged landscapes, seascapes and cityscapes. The town has been featured in world-famous paintings by artists such as Michael and Anna Ancher and P.S. Krøyer, and the area has long enjoyed a rich artistic heritage. Guided bicycle excursions give a unique, up-close perspective on this pretty town, with its picturesque white-picket fenced neighborhoods featuring brightly painted yellow houses crowned by red-tiled roofs. Stroll through one of the many art galleries and museums, such as Skagen Art Museum and the Skagen Odde Nature Center.

When it's time to taste the delicacies of the region, head to Pakhuset for a chance to discover one of Skagen's most iconic foods-marinated herring accompanied by Aquavit, a traditional spirit of Scandinavia infused with spices and herbs. A visit to Grenen, where the North and Baltic Seas converge, is a must for all voyagers-you can even straddle the waters with a foot in each mighty sea.
