Kochi boasts beautiful and abundant natural landscapes, from an expansive coastline running with the Kuroshio Current to the clear Shimanto River and the deep green forests that surround it. Located in the south of Shikoku, Kochi is ringed by rugged mountains to the north, and its arc-like southern coastline traces the outline of Tosa Bay. To the east is Cape Muroto, and to the west, Cape Ashizuri, with gently undulating sandy beaches stretching between these two extreme points. The prefecture also boasts the mystical limestone caves of Ryu-ga-do, and the beautiful sands and green pines of Katsura-hama Beach.

Day 6 Hiroshima, Japan**Oct 25, Arrive 7:00 AM | Depart 4:00 PM**

Surrounded by dense forests and enticing hot springs, cosmopolitan Hiroshima is a symbol of rebirth and resilience. Moving memorials to the world's first atomic bomb attack of August 6, 1945 include the Peace Memorial Park and its Atomic Bomb Dome, a haunting symbol of the bomb's devastation and a World Heritage site since 1996, and Children's Peace Monument. Take a ferry to the Island of Itsukushima, a holy place of Shintoism that's Cultural Heritage-listed and site of the iconic 'floating' torii gate. Day 7 *Cruising the Kanmon Strait*** | Busan, South Korea**

Oct 26, Arrive 10:00 AM | Depart 8:00 PM

Cruising the Kanmon Strait

Located on the southeastern tip of the Korean Peninsula just two-and-a-half hours from Seoul, Busan is South Korea's second-largest city. With its deep harbor, it's also one of the largest commercial ports in the world. Often referred to as "the summer capital of South Korea," Busan is known for its exceptional beaches, scenic cliffs and ancient temples high in the mountains.

Day 8 Nagasaki, Japan

Oct 27, Arrive 8:00 AM | Depart 6:00 PM

Japan's early gateway to trade with the West, Nagasaki boasts stately European-style homes, a bustling harbor and fusion cuisine (be sure to try Nagasaki's version of Castella sponge cake, introduced by Portuguese missionaries). The vibrant city is also synonymous with the dropping of the second atomic bomb, making a visit to Nagasaki's Peace Park a necessary, and deeply moving, experience. Admire the city's natural beauty atop Mount Inasayama. Drive through splendid countryside to browse the galleries of Arita, the birthplace of Japanese porcelain. Back in Nagasaki, wander Japan's oldest Chinatown, trying Chinese food reinterpreted for Japanese tastes.

Day 9 Kagoshima, Japan

Oct 28, Arrive 8:00 AM | Depart 5:00 PM

Kagoshima is Japan's southernmost major city, and is nicknamed the "Naples of the Eastern World," based on its caldera bay location, hot climate, and volcano. The majestic view of Mt Sakurajima, one of the world's most active volcanoes, dominates the city's landscape, towering over the beautiful Kinko Bay. The city abounds in historic sightseeing spots such as the memorial site of St. Francisco Xavier, who landed in Kagoshima and first introduced Christianity to Japan.

Day 10 Beppu, Japan

Oct 29, Arrive 10:00 AM | Depart 6:00 PM

Lovers of hot spring resorts, rejoice. Perched hillside on the southern Japanese island of Kyushu, Beppu bubbles with life thanks to a preponderance of onsen (hot springs). Enjoy a variety of rejuvenating bath types, from heated sand to traditional steam to hot mud. As one of the country's most popular spots for enjoying a long, hot soak, most visitors find Beppu to be a delightful opportunity to absorb the more relaxed side of Japan's vibrant culture.
